

PC2 User Board

Jens Förstner

Paderborn University, Germany
Paderborn Center for Parallel Computing

PC2 User Meeting, Paderborn – 20 October
2023

Paderborn
Center for
Parallel
Computing

- **Goals of User Board**
 - Collect user feedback
 - Involve users in decision-making at PC2

- **User Board targets**
 - Representative users for different research areas
 - Collect requirements in terms of hardware, software, support, etc.
 - Still work in progress. If you are interested to be involved, please contact us

 - Actual users of PC2 systems
 - Next slide

- **PC2 User Board Survey**
 - Asks feedback based on interest groups
 - 1) Features, requirements and wishes for the next HPC cluster system at PC2
 - 2) Scheduling of compute jobs
 - 3) Features and functionalities for the new HPC-Portal at PC2
 - 4) Training, events and workshops at PC2
- Free text field for own ideas
 - Survey still open
